

Solarize Meridian!

Lunch & Learn

Presented by the
Meridian Energy Team

Wednesday, April 11 an 11:30 am

Meridian Senior Center

2050 Kinawa Dr. (East wing of Chippewa Middle School)

Meridian Township has a goal of obtaining 25% of our electricity from renewable energy by 2025. To make it easier to install a PV system, the Meridian Energy Team has identified twelve solar installers that have offered to provide a rooftop solar electric system for \$3/watt or less. A 4000 watt system would cost \$12,000 before credits. Presentations will be provided by a Meridian resident who currently owns a solar system and volunteers from the Meridian Energy Team.

Free! Limited seating.

Please register with Cherie Wisdom at 517 706-5059.

Lunch provided!

Solarize Meridian!

**A free workshop
presented by the
Meridian Energy Team**

Thursday, April 26
7-8pm @ Okemos Library
4321 Okemos Rd in Okemos
