Dear Friend of Recycling,

Thank you! Support from organizations and businesses like yours have helped recycle and re-use over 100,000 pounds of recyclables this past year. Our sponsors helped set a new Guinness World Record at our spring 2017 event for electronics recycling!

We're optimistic about 2018 but we need your help to continue our momentum. Community support is truly what keeps this alive. Over 100 volunteers help out at each event – emptying vehicles, offering food donations, recycling materials, and assisting financially to pay for costs of recycling, t-shirts, facility rental, etc.

We hope you'll consider being involved again however you can – helping get the word out, volunteering, and/or becoming an official sponsor (see options on next page).

Thank you for helping “green” our community and surrounding region!

Sincerely,

On behalf the Meridian **Green Team**
