

## CFL Factsheet (draft)

### What do I do with broken or burned out compact fluorescent light bulbs?

Home Depot: at the "Returns Desk" at 1749 Newman Rd. in Okemos . Call 381-0650. In Lansing, visit 936 S. Waverly (323-0229).

Lansing Board of Water and Light – 1232 Haco Drive in Lansing -- wrap it up or keep it in it's package. Hours are 7:45 – 5:30 pm, M-F.

Ingham County Health Dept. on Thursdays, from 2-6pm at the corner of Cedar and Jolly, from April – September. Call 887-4312 for more information.

**Businesses should contact:** Cleanlights Recycling, Inc. 665 Hull Road PO Box 212 Mason, MI 48854 676-0044 (Coming soon: [www.lampmaster.com](http://www.lampmaster.com))

#### Other Suggestions:

- Combine trips – if you're driving, it probably does little good environmentally to make a special trip to drop off even a few bulbs.
- Replace CFLs with new CFLs, LEDs, and/or other efficient light bulbs and fixtures.
