

Why Gardens and Growing

responses from Garden Project 2011 survey

Why Gardens and Growing

responses from Garden Project 2011 survey

"I'm outside doing something for my health in many ways (food, exercise, pretty things to see)."

"Gardening gives me the exercise I need without special equipment or cost."

Health!

"I can grow native vegetables (from my country) which I wouldn't otherwise get at any store in the US."

"Lower grocery bills and more relaxed"
