

MERIDIAN TOWNSHIP—RECYCLES MORE!

A report on recycling status for 2016 provided by Granger

Meridian Township Street-side Recycling Participation

Note: 67% of eligible households subscribe to recycling service (or approximately 60% of Meridian Township total single unit occupied households)

RECYCLING VOLUME

Service Type	2015 Volume (pounds)	2016 Volume (pounds)
Street-side Single Stream	1,989,600	2,110,800
Drop-off (to Granger)	269,840	310,960
Total	2,259,440	2,421,760

Your 2016 recycling efforts have resulted in any one of the following.

Number of Trees Conserved (17 trees/ton recycled)	20,580
KWH of Electricity Saved (4100 KWH/ton recycled)	4,964,000
Pounds of Air Pollution Effluent Reduced (60 lbs./ton recycled)	72,650
Gallons of Water Conserved (7000 gallons/ton recycled)	8,480,000
Cubic Yards of Landfill Space Saved (3.33 yards/ton recycled)	4,030

PROGRAM ELEMENTS

- No additional cost street-side recycling tub service; \$1.50 per month for Curby Recycler
- Every other week collection
- Single unit households (four or fewer units)
- Subscription to one of Granger's residential trash hauling options required.
