

Want to Recycle BIG Time?

- **Tell Your Neighbors!** BIG recycling event on Sat. Oct 3rd. Share this flyer: <http://bit.ly/fallrecycle>
- **Volunteer on Oct 3rd!** Three shift times to fit your schedule! See <http://vols.pt/5rmpH5>

You Said It! *Readers Share Recycling Suggestions*

"Make it more accessible." "Mandatory recycling bins at apartments." "Meridian Twp. should take all colors of glass" "Short instructional pieces (regular & frequent) in the Towne Courier, the Monitor, the Twp. website, HOMTV, inserted with bills for sewer & water, trash collection (especially), & church bulletins..." "Neighborhoods need a recycling "captain" to encourage and answer questions about recycling." "A campaign to get people who don't use free curbside recycling to do so." "Increased outreach to schools..."

Tuesday HHW Collection Added During September

Ingham County residents can now drop off household hazardous waste on Tuesdays and Thursdays from 2pm to 6pm at 5303 S. Cedar, Lansing. For a list of acceptable items: <http://bit.ly/hhw2015>

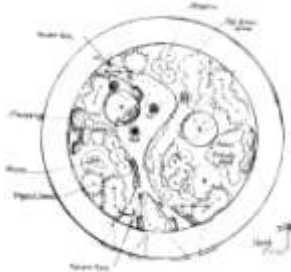

Great Lakes Energy News

Rediscover new fields of energy activity here in the latest GLREA energy news <http://bit.ly/greenews>.

Energy Education Series (@ Michigan Energy Options, 405 Grove, East Lansing)

This 3-part series kicks off on Sep 17 on **State Legislative Energy Proposals** from 6-7pm with Sarah Mullkoff, GLREA Board Member, who will discuss legislative proposals related to Net Metering, Renewable Portfolio Standard, and Energy Optimization Programs. Networking hour from 5-6pm.

Eco-Roundabout Needs Your Help

Support is needed for the Burcham/Park Lake Roundabout. Over 20% of funds are committed but help (time, materials, and \$\$) is still needed. Visit <http://recycle.meridian.mi.us/roundabout> for more information!

Discover answers to your recycling questions at <http://recycle.meridian.mi.us> or call 853-4466. Special thanks to volunteer Brendan Carpio for redesigning our new mobile-friendly recycling home page.
