

## Community Solar Opportunities

Board of Water & Light invites customers to participate in its Community Solar Initiative. Two 1000-panel arrays will be installed - one right next to Burcham Park. Lease one or more panels for a one-time cost of \$399/ea. and receive a credit on your electric bill. Each panel will produce approximately 370 kWh of power annually and pay for itself in 12-13 years. Find out more at [www.micomcommunitysolar.org](http://www.micomcommunitysolar.org) See a presentation to the Twp. Board at <http://bit.ly/misolar>

## Support Recycling in 2016

Meridian hopes to host two recycling events in 2016. Please visit <http://bit.ly/sponsor-2016> and find out how you and your business or organization can become a sponsor - ensuring that we can help you recycle a broad range of materials!

## Meridian Environmental Stewardship Awards

Do you know a resident who's made a difference in local habitat stewardship, energy efficiency, bicycle advocacy, nature studies, recycling or anything in between? : <http://bit.ly/ecosteward> .

## Water Quality in Meridian

See the recent report from E.L.M.W.S.A. at <http://bit.ly/H2Omeridian>.

## Commission Seeks Student Representatives

The Meridian Environmental Commission is seeking to fill one or more student positions. If you know a high school or college student who's interested, please contact Harmony Gmazel at 517.853.4568 or [gmazel@meridian.mi.us](mailto:gmazel@meridian.mi.us)

## The Future of Bees: February 5

Dr. Walter Pett, Apiculture & Pollination Specialist with MSU Ext., will talk about issues that beekeepers are concerned about. The presentation is part of a series of luncheons held on the 1<sup>st</sup> Fridays from noon - 1pm at 602 W. Ionia in Lansing. \$5 suggested donation.

## Community Garden Seminar: February 13

John Biernbaum, MSU professor and nationally renowned expert in gardening, organic methods, composting, and growing for health will be presenting "Community Gardens for Health: Gardening with Nature and Planning for Success" at St. Luke Lutheran Church on 2/13 at 9:30 am. Coffee will start at 9:00 am. Register with Carolyn Fabro at [cfabro@stlukehas.com](mailto:cfabro@stlukehas.com) . Don't miss the **Community Garden Leader Training** <http://bit.ly/2016gardenleader>
