

Hidden River Rain Garden

An impressive outpouring of community support has enabled a lot of progress in the roundabout at Burcham and Park Lake Rd. More than 20 volunteers have helped on two recent work days. Michigan Demolition, Hammond Farms, Greenspace Design & Contracting, Meridian Township, Meridian Landscape Supply, AC & E Rentals, and others have come forth to assist!

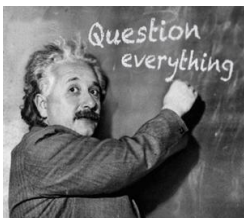

Visit www.midmeac.org for more pictures and info. or call 853-4466.

Join us for a planting day on June 4th: <http://bit.ly/HiddenRiverRainGardener>

Renewable Energy Fair & Emergency Preparedness Expo

The Michigan Energy Fair will be held at the Ingham County Fairgrounds in Mason, Michigan June 24 & 25, 2016. In addition to learning about how you can save money with renewable energy and energy efficiency, prepare and store food, collect rainwater for your gardens, and much more. A Sustainable Living Summit will be held on Saturday. Learn more at www.glrea.org. More energy news at <http://bit.ly/glen6>.

Answers to Your Recycling Questions

Learn more about how, where, what, and when to recycle at <http://recycle.meridian.mi.us> Also, check out this informative publication from MI DEQ: Recycling 101 at <http://bit.ly/recycling-101>

Celebrate our Community!
