

# PROPANE TANK RECYCLING

## 20 POUND, GAS GRILL SIZE

The companies listed below will accept tanks for recycling which have the old style valve. It is not legal to refill these tanks. Once you own a tank with the new valve, there are numerous locations which will exchange or refill your tank for a fee.

| NAME                     | ADDRESS                             | PHONE#       | CHARGE TO TAKE TANK? |
